COMMUNITY GARDENS

SUPPORTED BY THE HAPPY HENS SOCIAL ENTERPRISE INC

WELCOME NEW VOLUNTEERS

BRINGING THE COMMUNITY TOGETHER

We are here to learn about and enjoy food production, practice sustainability and reduce waste.

We want to ensure this is a fun, inclusive and safe place for everyone involved.

Inclusion and supporting positive mental health are essential to us!

All volunteers must wear covered shoes, a hat and gloves for gardening. We provide the rest.

GROWING CONNECTIONS

The Happy Hens are excited by the growing popularity of **Henley Green** and **Bedlam Bay Community Gardens** and remain committed to providing a safe and inclusive space for everyone with the aim of enriching our community.

PLEASE FEEL AT EASE + ASK QUESTIONS + OFFER YOUR SKILLS TO SHARE:

- We have some gardening teachers on site but many of our happy volunteers are also just learning. There are plenty of tasks that are not only about gardening too - just ask!
- We encourage all volunteers to connect, laugh and share but it is also okay to just take a quiet spot in the garden if this is what you need.
- Tell us about your special interests or skills that may be shared with others.

COMMUNITY GARDENING SESSIONS:

Henley Green Community Garden:

Friday mornings: 9am - 11am

Sunday afternoons: 3pm - 5pm

Bedlam Bay Community Garden:

Wednesday morning casual sessions

Session times are subject to change with the seasons and Sydney Water restrictions.

THANK YOU:

Thank you for getting involved and being a willing contributor to our social impact. Volunteers are asked to apply for membership of our Community Gardens to cover insurance, garden supplies, equipment and our overall well being.

Please apply overleaf.
